

## **MIRACLE MINISTRY - PROMISE WORD – APRIL 2021**

**"Now, my God, may your eyes be open and your ears attentive to the prayers offered in this place" [2 Chron. 6:40].**

Always praise the Lord saying, for the Lord is good and His mercy endureth forever. God is always good. Solomon prayed unto the Lord; let your eyes be open and your ears attentive to the prayers offered in this place.

Prayer is not repeating vain words. While praying to the Lord, we should not be demanding things from Him saying, "Lord, do this, do that". Because He knows all our needs, make your supplications known unto the Lord through prayers and thanksgiving. The Bible declares that all those who ask will receive. The Lord who heard Solomon's prayer will definitely listen to our prayers today and answer them.

We must humble ourselves in prayer. Only then our Lord will answer. God gives Grace to the humble. Our Lord is pleased with prayers offered up in humility. When Solomon called out to the Lord, he reminded the Lord of the promises He had given to his father, King David, "Lord God, do not reject your anointed one. Remember the great love promised to David your servant". This prayer was answered with fire that was sent down from Heaven!

If we humble ourselves, confess our sins, surrender ourselves in God's presence and cry unto Him earnestly, our Lord will definitely pour out His fire on us! His eyes and ears are opened unto our prayers. Above all, His hand will perform the act! His hand is not shortened that it cannot act.

God is good not only to Solomon. He is good to all of us. Like Solomon, plead unto him to pour out His mercy on you. Definitely the Grace of God will sustain you in this month!

For as the Heaven is high above the earth, so great is His mercy toward them that fear Him. But the mercy of the Lord is from everlasting upon them that fear Him, and His righteousness unto children's children. **Ps. 103:11,17.**
